

Description: Grease
Type: K2K-30 (DIN51502)
Part number: 10104365
Order key IV: 0320252

Technical data:

Classes	NLGI-cl. 2
Type designation by manufacturer	BEKA 20 UNI grease
Viscosity at 40°C [mm²/s]	150
Thickener type	Lithium soap
Type	K2K-30 (DIN51502)
Solid lubricants	without
Min. operating temperature [°C]	-30
Max. operating temperature [°C]	150
Color	beige/brown
Package size	400 g
Type of package	Grease cartridge
Version	Type S
Further characteristics	with adhesive label
